## Craig Taylor Chair's Report

It is with immense pleasure, I welcome you, on behalf of the AWAHS Board of Directors to this years Annual General Meeting, to present the financial accounts for the year ending 30th June 2023.

In doing so I would like to acknowledge the traditional owners of the land we are all meeting on and acknowledge our elders, past and present. I acknowledge this land always was and always will be Aboriginal land, and that our ancestors never ceded their sovereignty. Our community of Albury Wodonga is not separated by a river nor a state border, our community is one, a strong and proud community made up of many different language groups who call this area home.

In the past year, our community has lost too many of our loved ones, as Chair and on behalf of the AWAHS Board of Directors I would like to acknowledge and pay respect to the members of our community who are no longer with us and pass on my condolences to the families who are grieving, our thoughts and prayers are with you all.

I would like to thank all AWAHS employees for their dedication and support to our community, your

continued commitment to work at AWAHS and provide service to our community is the cornerstone to ongoing generational health outcomes for our mob, thank you.

To our community, I would like to thank you for your ongoing support and patronage of AWAHS. Our client base continues to grow with more people accessing our service every month, with over 1394 people coming from Victoria and 2788 from NSW. Our mob's ongoing support highlights AWAHS that we are a high-quality community-controlled health service, which is here for our community.

AWAHS funding bodies, at state and commonwealth level all continue to have an elevated level of confidence in AWAHS to appropriately manage the funding allocated to AWAHS. This level of confidence can be seen in the growth of current funding and the availability of new funding streams.

In the last twelve months AWAHS has been extremely busy outside of the provision of GP and Allied Health Services. As we continue to grow our footprint across our service areas on both sides of the border the need for more clinical space is over whelming. In 2024 AWAHS will commence the building of a brand-new multi-purpose GP/Allied Health Clinic in Wodonga. The service should be open for service in the late part of 2024 to the early part of 2025.

Other achievements to note for the past 12 months are.

- 1. Partnership with Hume Riverina Legal Service- to provide Legal support for AWAHS clients.
- 2. AWAHS, admitted as a full VACCHO Member.
- 3. AWAHS NDIS registration being approved.
- 4. Thurgoona Men's Golf Day Friday 4th Nov 2022.
- 5. Shields of Emotion Festival Wangaratta June 2023.
- Protecting Our Places funding for Community Garden at Glenroy - work to be done 2023- 2024.
- 7. Burraja Cultural Centre Tenancy.
- 8. Work with Albury Council and the LALC for Aged Care in the region.

The 2022-2023 financial reports have been finalised, and our auditors Johnson's MME confirm AWAHS financial position is once again in a strong and stable financial position, AWAHS is solvent and able to pay all its creditors. It is prudent for AWAHS to remain vigilant in an operating environment that is seeing the cost of goods and services increasing at a rapid rate.

AWAHS CEO, David Noonan has informed the Board of Directors that he will be taking leave from the 28th or August 2023 and returning on the 8th January 2024. As Chair and on behalf of the Board of Directors I would like to thank David for the fantastic work he has done over the past 12 months. Catherine Coysh will be Acting CEO whilst David is on leave. Finally, I would like to take this opportunity to thank and congratulate the Board of Directors, for their ongoing support for me as Chair, and their ongoing support for AWAHS and the community they serve.

Thankyou for your attendance at this year's AGM, your support is appreciated.

Craig Taylor

## David Noonan CEO Report

I would like to acknowledge the strength of the Aboriginal and Torres Strait Islander people across the lands on which we work and live, and their power and resilience. We honour and pay respect to those that we have lost over the past year.

I would like to acknowledge the traditional owners of the land upon which we meet, the land of the Wiradjuri people and pay my respect to eider's past, present and emerging. I would like also to pay my respects to

## Services that AWAHS offer to the community include:

- Comprehensive GP medical and nursing practice in Albury and Wodonga,
- Mobile Outreach services to Benalla, Wangaratta and Bright,
- Dhelk Dja Family Violence Services in Wodonga,
- Specialist Medical Services
- Men's Health
- Dental/ Oral Therapist Services,
- Chronic Disease Services,
- Child and Maternal Health and Midwifery services in Wodonga and Albury,
- Transport,
- D&A Support and Counselling in Wodonga and Wangaratta,
- Stolen Generation Services and Support,
- Health Promotion and Education and group work
- · Cultural Activities and mentoring,
- Youth Services
- Mental Health Services in Albury and Wangaratta,
- Psychology, Psychiatry, Dietician, Podiatry, Diabetes Education, OT, Speech Therapy and Social Work.

all other Aboriginal and Torres Strait Islander people.

It has been another dynamic year that has continued to offer up challenges in providing services to the community, it has also bought with it new beginnings. I would like to take this opportunity to acknowledge the dedication and hard work of the AWAHS staff and Board who continue to work toward a better tomorrow for the community. We don't always get it right, but we do not stop trying to provide the best quality service to the community we can with the resources we have. I am incredibly proud to be a part of an organisation that continues to grow and adapt according the to changing needs of the communities we serve.

This past year has not been without its challenges. COVID-19 fatigue, floods and fires, maintaining staffing levels, continuing to address public health issues and vaccination requests, but at the heart, we all know how incredibly important the work is.

AWAHS continues to work through several sites throughout the region: Glenroy Clinic, Wodonga Clinic, Corporate Office, Burraja Cultural Centre, the Albury Lands Council Portable, NESAY Wangaratta, Apex Park Wangaratta, Waminda Community Centre Benalla, Bright and many others. We continue to expand our footprint across the region.

The services and programs that we offer to community have also grown over the past years.

We should be proud of the work that we do as a collective and in continuing to fight to break the cycles and close the gap.

The 2022 - 2023 annual report continues to be a reflection on the achievements and the great work done by the AWAHS team.

July 1st, 2022, to June 30th, 2023, there were 4,182 members of the community seen at AWAHS (Male 1,952, Female 2,230).

2022-2023 episodes of care provided by AWAHS staff between this period were 32,313 (Male 11,702, Female 20,611}. These numbers are lower that in 2021-

2022 and reflect the challenges in staffing we have experienced over the past year.

AWAHS Accreditation remains a huge priority for the service. AWAHS is currently accredited with QIC, AGPAL, RACGP, NSQHS for Dental Services and NSMHS for Mental Health. AWAHS has also completed its registration to be a NDIS service provider.

As mentioned previously, maintaining staffing levels has been an issue these past 12 months and this has resulted in several resignations. We want to thank

those staff also for their work with AWAHS and the community and wish them well on their journey.

AWAHS could not continue to operate without the dedication and professionalism of all the staff, past and present. 8 of our AWAHS staff have been working with the service for 10 years or more.

With continued funding and support and many new opportunities arising, 2023-2024 looks to be another exciting year. We look forward to the challenge of working alongside the community.

With Respect and Appreciation

Chief Executive Officer

### Notes to and forming part of the financial statements

For the year ended 30 June 2023

#### Note 1. Summary of significant accounting policies

#### (a) Basis of accounting

In the Board of Director's opinion, Albury Wodonga Aboriginal Health Service Ltd (the 'Company') is not a reporting entity because there are no user's dependent on general purpose financial statements.

These special purpose financial statements that have been prepared for the sole purpose of complying with the requirements of the Australian Charities and Not for Profits Commission Act 2012 to prepare and distribute financial statements to the members and must not be used for any other purpose. The Board of Directors has determined that the accounting policies adopted are appropriate to meet the needs of the members.

Under AIFRS, there are requirements that apply specifically to not-for-profit entitles that are not consistent with International Reporting Standards (IFRS) requirements. The company has analysed Its purpose, objectives and operating philosophy and determined that It does not have profit generation as a prime objective. Consequently, where appropriate the Company has elected to apply options and exemptions within the AIFRS which are applicable to not-for-profit entitles.

The following is a summary of material accounting policies adopted by the entity in preparation of the financial statements. The financial statements have been prepared in accordance with applicable Australian Accounting Standards, Australian Accounting Interpretations and other authoritative pronouncements with the exception of the following:

- AASB 7 Financial instruments: disclosures
- AASB 9 Financial instruments
- AASB 15 Revenue from contracts with customers
- AASB 16 Leases
- AASB 119 Employee benefits
- AASB 124 Related party disclosures
- AASB 132 Financial instruments: presentation
- AASB 1058 Income of not-for-profit entities

Interpretation 1031: Accounting for the Goods & Services Tax (GST) - paragraph 10 only

The financial statements are prepared in accordance with the historical cost convention. Unless otherwise stated, the accounting policies adopted are consistent with those of the previous year. Comparative Information has been reclassified where appropriate to enhance comparability.

#### (b) Income

(i) Grants & Contributions

Grants and other contributions are generally recognised as income when the Company obtains control over the granted asset. Control over granted assets normally occurs at the time they are received. However where any amounts of grants received remain unexpended at balance date and may have to be refunded, these amounts are not brought to account as income and are disclosed as a liability called grants received in advance (refer note 9).

#### (ii) Medicare Income

Medicare income is recognised as revenue following the provision of services to the patient.

#### (iii) Interest

Interest income is recognised on an accrual basis taking into account the interest rates applicable to the financial assets.

#### (c) Income tax

Income tax is not provided for In the financial statements as the Company is recognised as tax exempt under the Income Tax Assessment Act and therefore not subject to tax.

#### (d) Cash and cash equivalents

For the purposes of the statement of cash flows, cash includes deposits at call, which are readily convertible to cash on hand and are subject to an Insignificant risk of change In value, net of any outstanding bank overdrafts.

#### (e) Receivables

Debtors are brought to account at their nominal amounts. A provision for doubtful debts is raised when some doubt as to collection exists.

#### (f) Property, plant and equipment

The cost method of accounting is used for all acquisitions of assets. Cost is determined as the fair value of the assets given up or liabilities undertaken at the date of acquisition plus incidental costs directly attributable to the acquisition. Assets acquired for no cost or consideration are recognised at their fair value at date of acquisition.

All items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that Is directly attributable to the acquisition of the items.

Land, capital works in progress and artwork assets are not depreciated, Depreciation on other assets has been calculated on a straight-line basis in order to write off the cost of assets over their expected useful lives. Estimates of remaining useful lives are made on a regular basis for all assets (excluding land and artwork assets), with annual reassessments for major items. The expected useful lives are as follows:

Buildings	20 years
Dental equipment	5 years
Fixtures & fittings	5 to 20 years
Office furniture & equipment	5 years
Medical equipment	5 years
Computer equipment	3 to 10 years
Leasehold improvements	10 years
Motor vehicles	5 years

### Notes to and forming part of the financial statements

For the year ended 30 June 2023

An asset's carrying amount is written down immediately to its recoverable amount if the assets carrying amount exceeds its estimated recoverable amount.

Gains and losses on disposal of assets are determined by comparing proceeds with the carrying amount of the assets disposed. The gains/losses are included in the statement of comprehensive income.

#### (g) Impairment of assets

Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds Its recoverable amount. The recoverable amount is the higher of the asset's fair value less costs to sell and value in use. As the Company is a not-for-profit entity for AIFRS purposes, the value in use is the depreciated replacement cost of the asset.

#### (h) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year and which are unpaid. These amounts are unsecured and are usually paid within normal trading terms.

#### (i) Leases

Leases of property, plant and equipment, where substantially all the risks and benefits incidental to the ownership of the asset (but not the legal ownership) are transferred to the Company, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease Interest expense for that period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term. Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

#### (j) Maintenance and repairs

Maintenance and repairs are charged as expenses as incurred, except where they relate to the replacement of a component of an asset, in which case are capitalised and depreciated in accordance with note 1(f).

#### (k) Goods and services tax (GST)

Income, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office, in these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

#### (I) Employee entitlements

#### (i) Annual leave and ADO's

A liability for annual leave and accrued days off are recognised, and measured as the amount unpaid at the reporting date at current wage rates in respect of employees' service up to that date.

#### (ii) Long service leave

A liability for long service leave is recognised and measured for only those employees who have attained 5 years service with the Company, based on amounts unpaid at the reporting date at current wage rates for services provided up to that date.
